When you come by **plane** it is best to **rent a car** at the airport. A 2 hours drive will take you to VERDEMAR, either from Faro or from Lisbon. Further away, but sometimes a cheaper option, is to fly to Seville (4 hours by car) or Madrid (5 hours by car).

You can also come by **bus**; an express bus leaves 3 times a day from Lisbon to Cercal do Alentejo (coming by bus will limit your explorations in Verdemar, local buses are rare). For information about car-rental and buses (rede de espressos) see our [links](#).
